To Whom It May Concern,

I am writing to recommend Chad Murphy-Price as a keynote and session presenter on the topic of overcoming obstacles and creating good opportunities despite challenges. Chad did a wonderful keynote presentation "Unlock Your Potential" at the 2011 self-determination conference on November 8, 2011. It was inspiring for the audience of over 500 people to hear his story. He also provided great information for individuals with disabilities preparing to transition from high school to adult life and their families. On behalf of the conference planning committee, we are glad that we were able to have Chad come and present at the conference last year.

Sincerely,

Nancy F. Molfenter
