

To Whom It May Concern:

It is my pleasure to recommend Chad Murphy-Price for employment. For almost a year, Chad served as a consultant for the Institute for Educational Leadership through a partnership with the Academy for Educational Development's National Clearinghouse and Technical Assistance Center on Family Support (NC&TAFS). In this capacity, Chad was responsible for facilitation and on-going monitoring of the NC&TAFS Family Forum discussion board.

Chad's excellent communication skills and strong attention to detail played an integral role in the success of the Family Forum discussion website. In addition, his overall technological and web prowess was extremely beneficial in the promotion and upkeep of the site. Perhaps one of the most significant aspects of the position was the need for this consultant to telecommute, which requires much personal discipline and commitment. Chad consistently displayed these attributes throughout his time working with us.

Chad would be an excellent asset to any organization, and therefore has my highest recommendation. If you have any additional questions in regard to his background or qualifications, please do not hesitate to contact me.

Kind regards,
